

Return Rate Monitor

Use the following visualizations to monitor return rates by certain fields

- Return Rate by Month(Top Right)
- Return Rate by State(Middle Right)
- Return Rate by Ship Mode & Subcategory(Bottom Right)
- Return Rate by Region & Category(Bottom Left)

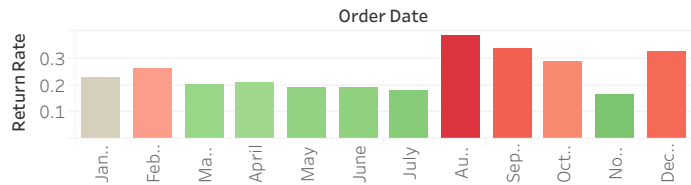

You can use the bars on the Return Rate by Month chart to filter the other charts by the month you've selected.

The filters below the Return Rate by Ship Mode & Subcategory and the Return Rate by Region & Category charts allow you to filter each chart by their respective factors.

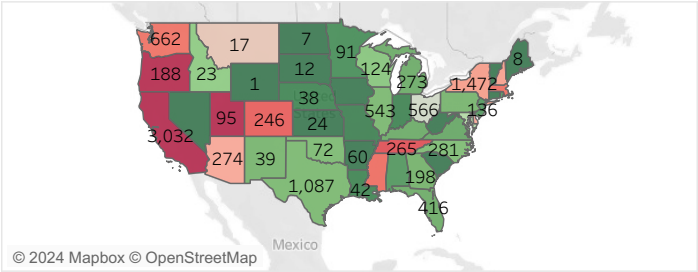

Return Rate by Region & Category

Category	Region			
	Central	East	South	West
Technology	0.0813	0.3223	0.1756	0.3738
Office Supplies	0.1352	0.1782	0.1360	0.4291
Furniture	0.0752	0.2287	0.1802	0.3978
Region	All			
Category	All
